In order for us to fulfil this transaction and supply you with your **Comfiwave** garment, you must sign and date the adjacent field confirming that you have read and agree to the **Comfiwave Purchase Liability Waiver** and **Terms, Conditions and Contraindications** as outlined below.

Comfiwave Purchase Liability Waiver

Caution: We strongly recommend being assessed by a medical professional before purchasing any compression garments. Our products are medical devices and should only be used on the advice of a medical professional. Haddenham Healthcare does not take any liability for supplying these products to you.

Terms, Conditions and Contraindications

Absolute Contraindications: Advanced peripheral arterial occlusive disease; decompensated heart disease; uncontrolled congestive heart failure; untreated septic phlebitis; phlegmasia cerulea dolens. Allergy to any of the materials used in the garment: Cotton 82%; Polyurethane 10%; Polyester 8%. **Relative Contraindications:** Immobility (confinement to bed); skin infections; support dermatoses; weeping dermatoses; incompatibility to fabric; impaired sensitivity of the limb (e.g. in diabetes mellitus); suppurating dermatoses; primarily chronic polyarthritis; advanced peripheral neuropathy; primary chronic arthritis; osteoporosis stage 3&4. **Materials:** Cotton 82%; Polyurethane 10%; Polyester 8%. **Returns:** As this compression product is a medical garment, once you have tried it on, or in any other way handled and manipulated it, we will not be able to refund you as we will be unable to re-sell these items due to the danger of cross-contamination. **Delivery & Handling:** Standard Charge of AUD\$18.00 excluding GST. Additional charge may be levied for courier service. **Prices:** Subject to change without notice. Prices quoted exclude GST.

By ticking this box, I confirm that I have read and agree to the **Comfiwave Purchase Liability Waiver** and **Terms, Conditions and Contraindications** as outlined within this form.

What is *Comfiwave*[®]?

Comfiwave is a patented compression garment that gives a therapeutic pressure of 15-21mmHg.

Comfiwave is available in below knee and thigh high styles for the lower limb; and with or without mitten for the upper limb.

Breathable fabric

Comfiwave's wave patterning gives it high air permeability for coolness and stretch

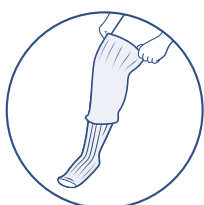

Ambidextrous

Designed to be used on either the left or right limb

Made from a soft, undyed cotton

100% cotton against the skin and seamless design ensures maximum comfort

Easy to don and doff

Patented, high-elastic knit makes Comfiwave easy to put on and take off
